

Tubular handles “Bighand”

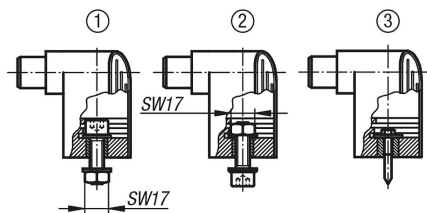

Item description/product images

colour codes:

Mounting options

Description

Product description:

Secure gripping with the Bighand pull handle. The form of this heavy duty handle enables it to conform to any application where a robust grip with good haptic and optic is required.

Material:

Legs thermoplastic.
Oval grip aluminium.

Version:

Legs black grey.
Oval grip coated or anodised.

Note:

The leg caps are supplied loose.

Supplied with:

For fastening versions 1+2 (DIN 912 cap screw) one set of M10 screws.

For fastening version 3 (DIN 571 hex head wood screw) one set of M5 screws with dowels, one drilling template and the mounting instructions.

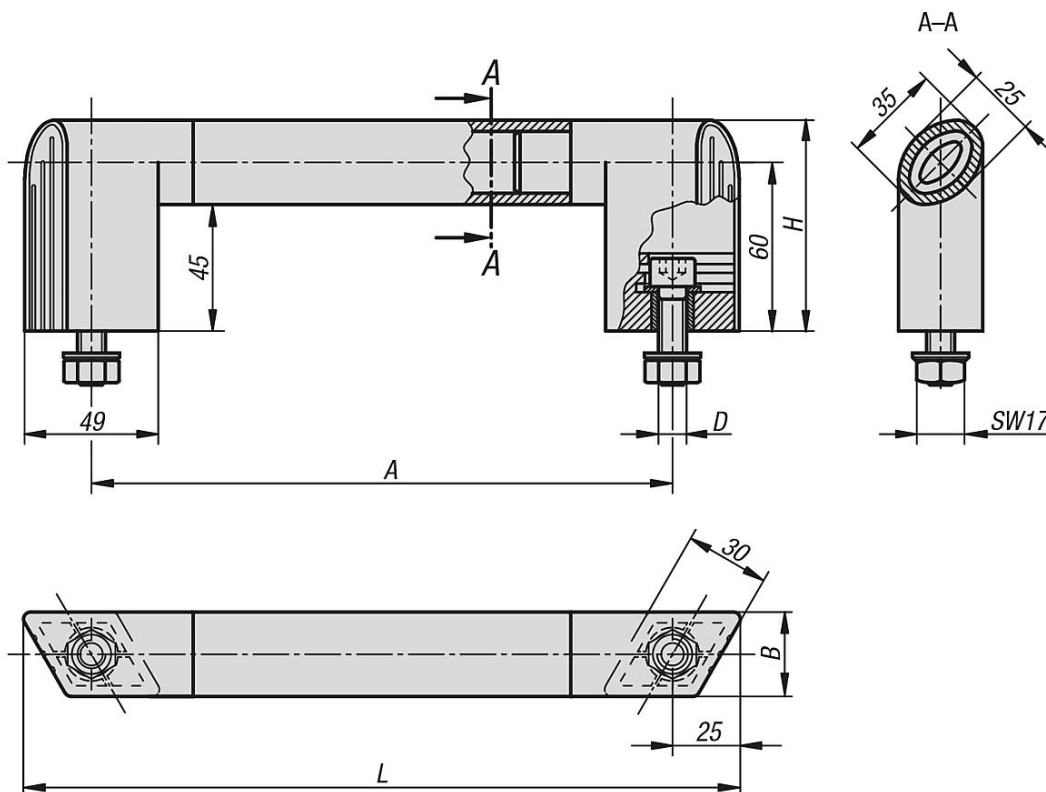

Δ Add the desired colour code here. No colour code is required for black grey grips.

On request:

Special lengths “A”.
